The CompTIA Security+ Certification Exam has a scaled score between 100 and 900.

You incorrectly answered one or more questions in the following objective areas:

- 1.1 Compare and contrast various types of security controls.
- 2.1 Compare and contrast common threat actors and motivations.
- 2.5 Explain the purpose of mitigation techniques used to secure the enterprise.
- 3.2 Given a scenario, apply security principles to secure enterprise infrastructure.
- 3.4 Explain the importance of resilience and recovery in security architecture.
- 4.1 Given a scenario, apply common security techniques to computing resources.
- 4.5 Given a scenario, modify enterprise capabilities to enhance security.
- 4.8 Explain appropriate incident response activities.

- 4.9 Given a scenario, use data sources to support an investigation.
- 5.6 Given a scenario, implement security awareness practices.

For a complete listing of CompTIA Security+ Certification Exam objectives, please visit <https://www.comptia.org/training/resources/exam-objectives>.

### **View your exam history and certification status**

NOTE: Please allow up to **five business days** from the time of your exam for your exam and certification status to be updated on your CompTIA certification account.

To access your certification account, log in at <https://login.comptia.org> and click on the Manage Certifications tab. Your exam(s) are located on the History tab and your certification(s) are listed on the Certifications tab.

### **To download a PDF copy of your certificate**

You may download a PDF copy of your certificate, which includes a verification code that may be entered at <https://verify.comptia.org> as official verification of your certification status.

1. Log into your CompTIA account at <https://login.comptia.org>. Use the password reset option if needed.
2. Click on View Certification Account.
3. Click on Certifications on the left side.
4. Click on Download PDF Certificate and then the Download link.

### **Customer Service**

If you have questions regarding this score report or your certification, please visit <https://help.comptia.org> where you can search common questions and contact a member of our customer service team.

### **CompTIA Retake Policy**

In the event that you fail your first (1st) attempt to pass any CompTIA certification examination, CompTIA does not require any waiting period between the first (1st) and second (2nd) attempt to pass such examination. However, before your third (3rd) attempt or any subsequent attempt to pass such examination, you shall be required to wait for a period of at least fourteen (14) calendar days from the date of your last attempt to pass such examination.

- a. If a Candidate has passed an exam (or multiple exams) and achieved a certification, he/she cannot take the exam again, using the same exam code, without prior consent from CompTIA.

For example:

1. If a candidate has passed an exam (e.g. CompTIA Network+ N10-005) he/she will need to wait until a new series (e.g. N10-006) becomes available before attempting to recertify.
  2. If a candidate has passed multiple exams to achieve a certification (e.g. CompTIA A+ 220-701 & 220-702) he/she will need to wait until a new series (e.g. 220-801 & 220-802) becomes available before attempting to recertify.
- b. CompTIA beta examinations may only be taken one (1) time by each candidate.

- c. A test found to be in violation of the retake policy will be invalidated and the candidate may be subject to a suspension period. Repeat violators will be permanently banned from participation in the CompTIA Certification Program.
- d. Candidates must pay the exam price each time they attempt the exam. CompTIA does not offer any free re-tests or discounts on retakes.
